Personal Profile

BCA student at Kathford International College with hands-on experience building modern web applications using React.js, Next.js, Node.js, and REST APIs. Experienced in developing reusable and responsive UI components, integrating APIs, implementing authentication, and building data-driven applications. Completed a Frontend Developer internship at Code Karkhana and currently expanding my skills toward full-stack development.

Experience

Frontend Developer Intern – Code Karkhana

May 2026 – Aug 2026

- Developed responsive web interfaces using **React.js** and JavaScript.
- Integrated **REST APIs** for data-driven features and backend communication.
- Implemented state management, form handling, CRUD operations, and dashboard functionality.
- Worked with **Git/GitHub** in a collaborative development environment.
- Debugged UI and API issues and improved application usability and performance.

Projects

Hamro Fitness Admin Portal – Code Karkhana

May 2026 – Aug 2026

- Developed a gym and locker management dashboard using **React.js**, **Vite**, **Tailwind CSS**, and **REST APIs**.
- Implemented customer and membership management, locker reservations, payment tracking, invoices, and attendance features.
- Integrated biometric management, Google Maps, and interactive dashboard functionality.
- GitHub: <https://github.com/aayushduwal/Hamro-Fitness> — Live: hamro-fitness.vercel.app

ProConnect – Professional Networking Web Application

2025

- Developed a full-stack networking platform featuring user profiles, connections, posts, interactions, messaging, and project showcases.
- Built reusable and responsive UI components using **Next.js**, **React.js**, and **Tailwind CSS**.
- Developed and integrated **REST APIs** for users, posts, connections, interactions, and messaging.
- Implemented authentication using **JWT** and Google authentication with Firebase.
- Integrated **MongoDB** for managing user profiles, posts, projects, connections, and application data.
- GitHub: github.com/aayushduwal/ProConnect — Live: proconnectapp.vercel.app

Elegance – Fashion Wear E-Commerce Platform

2023 – 2024

- Developed a full-stack e-commerce application with authentication, product listings, cart functionality, and shopping features.
- Implemented **MySQL** database integration for managing users, products, and application data.
- Developed responsive interfaces using modern web technologies.

Skills

Frontend: HTML, CSS, JavaScript, React.js, Next.js, Tailwind CSS

Backend: Node.js, REST APIs

Database: MySQL

Authentication: JWT, Firebase Authentication

Tools: Git, GitHub, Vercel

Education

Bachelor of Computer Application (BCA)

Kathford International College of Engineering and Management

Lalitpur, Nepal

Nov 2022 – May 2027
